Your membership helps sponsor senior scholarships. Senior Megan Kellen, was chosen by her peers to receive the \$1000 Gentle Doctor Scholarship. She wrote, *"My time at Iowa State's College of Veterinary Medicine was a wild adventure! I have served as the Class of 2024 President for the last four years, been involved with SAVMA, VMBA, and AABP, and taken advantage of opportunities to travel to national conferences. I can't imagine attending vet school anywhere else and am proud to be a Cyclone alum! In June, I will join Animal Medical Centers in Spencer and Hartley, Iowa, as a mixed animal associate veterinarian. I am excited to work with both small and large animals and am especially interested in small- animal surgery and cattle and swine medicine."* Megan Kellen Iowa State University College of Veterinary Medicine DVM Candidate | President, Class of 2024
